INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors  
New York State West Youth Soccer Association, Inc.  
Corning, New York

We have reviewed the accompanying financial statements of New York State West Youth Soccer Association, Inc. (a not-for-profit organization) which comprise the statements of financial position as of August 31, 2016 and 2015, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

**Accountant's Responsibility**

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

**Accountant's Conclusion**

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

AUGUST 31, 2016 AND 2015

NOTE A: THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of operations

New York State West Youth Soccer Association, Inc. (the "Association") was founded in 1982 and is a non-profit service organization dedicated to the promotion and development of good sportsmanship and fair play through the game of soccer. The purposes of the Association are (1) to promote and to organize the teaching of soccer, and (2) to foster amateur sports competition by promoting, developing and governing youth soccer activities through affiliation with the United States Youth Soccer Association (USYSA), the United States Soccer Federation (USSF), and the Federation de International Football Association (FIFA).

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Net asset classification

The accompanying financial statements present information regarding the Association's financial position and activities according to two classes of net assets - unrestricted and temporarily restricted. The classes are differentiated by the presence or absence of donor restrictions.

*Unrestricted net assets* - may be designated for specific purposes by action(s) of the Board of Directors or may be limited by contractual agreements with outside parties. Unrestricted net assets include unrestricted operating assets as well as funds internally designated for specific programs and facilities.

*Temporarily restricted net assets* - are subject to donor-imposed stipulations that expire by the passage of time or can be fulfilled or removed by actions pursuant to the stipulations. There were no temporarily restricted net assets in 2016 or 2015.

Revenue recognition

The Association's revenues are primarily derived from fees charged for registration, training, passes and courses. These fees are recognized as revenues as they are earned.

Cash and cash equivalents

For purposes of presentation in the statements of financial position and the statements of cash flows, the Association considers highly liquid investments with a maturity of three months or less which are available for operations to be cash equivalents. Cash and other investments with maturities of three months or less held in the Association's investment portfolio or held in short term investments until suitable long-term investments are identified are excluded from cash equivalents for purposes of statement of financial position and the statement of cash flows presentation. Cash balances are maintained at a financial institution located in Corning, New York and are insured by the FDIC up to \$250,000 at the institution. In the normal course of business, the cash account balances at any given time may exceed insured limits. However, the Association has not experienced any losses in such accounts and does not believe it is exposed to significant risk in cash.

AUGUST 31, 2016 AND 2015

NOTE A: THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Accounts receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. There is no valuation allowance at August 31, 2016 or 2015.

Property and equipment

Property and equipment are recorded at cost or the fair market value at the date of donation. Depreciation is computed on a straight-line basis over the estimated useful lives which range from three to twenty-five years. Expenditures for repairs and maintenance are charged to activities as incurred, while major improvements are capitalized.

Deferred revenues

Deferred revenues relate principally to registration and academy fees collected in advance for the subsequent fiscal year.

Advertising

Advertising costs are expensed as incurred. Advertising costs for the years ended August 31, 2016 and 2015 approximated \$1,313 and \$1,678, respectively.

Tax status

The Association is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Association has filed for and received income tax exemptions in the various jurisdictions where it is required to do so. The Association files Form 990 tax returns in the U.S. federal jurisdiction and in New York State.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Subsequent events

The Association has conducted an evaluation of potential subsequent events occurring after the statement of financial position date through October 14, 2016, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

AUGUST 31, 2016 AND 2015

NOTE B: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 Valuation is based upon:
- Quoted prices for similar instruments in active markets;
  - Quoted prices for identical or similar instruments in inactive markets;
  - Inputs other than quoted prices that are observable for the instruments;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All investments are valued based upon quoted prices for identical instruments in active markets. There have been no changes in the methodologies used at August 31, 2016 or 2015.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Association believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AUGUST 31, 2016 AND 2015

NOTE C: INVESTMENTS

Investments are recorded at fair value. Realized and unrealized gains and losses are reflected in the statements of activities and changes in net assets.

Fair value, cost and unrealized appreciation of the Association's investments are as follows:

	<u>Fair value</u>	<u>Cost</u>	<u>Unrealized appreciation (depreciation)</u>
August 31, 2016:			
Cash equivalents	\$ 138,725	\$ 138,725	\$ -
Mutual funds	342,152	361,881	(19,729)
Equities	<u>130,182</u>	<u>101,624</u>	<u>28,558</u>
	<u>\$ 611,059</u>	<u>\$ 602,230</u>	<u>\$ 8,829</u>
August 31, 2015:			
Cash equivalents	\$ 89,917	\$ 89,917	\$ -
Certificates of deposit	54,190	54,000	190
Mutual funds	328,384	339,272	(10,888)
Equities	<u>123,031</u>	<u>97,364</u>	<u>25,667</u>
	<u>\$ 595,522</u>	<u>\$ 580,553</u>	<u>\$ 14,969</u>

Management evaluates securities for other-than-temporary impairments on a regular basis, and more frequently when economic or market concerns warrant such evaluation. Consideration is given to (1) the length of time and the extent to which the fair value has been less than cost, (2) the financial condition and near-term prospects of the issuer, and (3) the intent and ability of the Association to retain its investment in the issuer for a period of time sufficient to allow for any anticipated recovery in fair value. In the opinion of management, none of the individual losses as of August 31, 2016 and 2015 represent an other-than-temporary impairment.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risk associated with investment securities and the uncertainties related to changes in the fair value of investment securities, it is at least reasonably possible that changes in risks could materially affect the Association's financial statements.

(See Independent Accountant's Review Report)

AUGUST 31, 2016 AND 2015

NOTE D: COMMITMENTS

The Association leases certain office equipment under a lease which expires May 2021. Future minimum lease commitments under this agreement are as follows:

<u>Year ending August 31,</u>	<u>Amount</u>
2017	\$ 1,145
2018	1,145
2019	1,145
2020	1,145
2021	859

Lease expense, including usage charges, amounted to \$4,181 and \$3,745 in 2016 and 2015, respectively.

NOTE E: RETIREMENT PLAN

The Association has a 401(k) profit sharing plan covering substantially all employees. The Plan is subject to a maximum employer match of 4% of compensation, based on Internal Revenue Code limitations. Contributions to the Plan amounted to \$13,045 and \$12,798 for the years ended August 31, 2016 and 2015, respectively.
