PERMISSION TO PARTICIPATE IN ADULT GAMES

A youth player may play an unlimited number of adult games without losing his or her youth eligibility. The youth player must notify his or her youth coach or other authorized team official of the player's intention to play adult games. The youth player shall request, in writing, (1) eligibility clearance from the Youth State Association through which the player is registered, and (2) permission from the appropriate Adult State Association. When the clearance and permission have been granted, the Adult State Association has sole discretion in permitting a youth player to play adult games and will be responsible for establishing the procedures under which the youth player will be allowed to play. In the event of a conflict between an adult game and a youth game, the youth game shall take precedence. A youth player who is required to sign an adult form shall retain youth eligibility.
