

## **Oystein (Sandy) Ostebo**

I reside in Painted Post, NY with my wife of 42 years, Donnalynn. We have two grown children and three grandchildren. I am a retired high school mathematics teacher with 34 years of service. As a member of the NY West Board for 16 years, I have been instrumental in resolving and/or developing numerous issues/programs – from the new NYW organization bylaws and multiple club bylaws, a variety of policies (tournament hosting, small sided games, risk management, registration/insurance – to mention a few), the establishment of a state office and the hiring of its employees as well as the hiring of our State Director of Coaching, the negotiation of the past 6 insurance contracts and multiple other contracts, to the development of our new RosterPro registration program. Additionally, having served as ODP Administrator for almost a year and Interim Executive Director for a year and a half, and now as President since January 1, 2005 I am totally familiar with all aspects of the organization on the state level as well regionally and nationally.
