Policy and Procedures - Placing a Member in “Bad Standing”

NYSWYSA BAD STANDING POLICY

New York State West Youth Soccer Association (NYSWYSA) reserves the right to place a member in “bad standing” for cause.

NYSWYSA members include players, coaches, managers, administrators, teams, clubs or leagues.

Reasons necessitating placing a member in “bad standing” may include failure to comply with NYSWYSA By-laws and policies or to recover money owed. The process is intended to be of short-term duration until the issue is rectified.

The member placed in ‘bad standing’ may not participate in NYSWYSA, US Youth Soccer or USSF sanctioned activities until removal from that status. Sanctioned activities include match play, practice, meetings or other association with any affiliated program.

An affiliated league or club may request a member or former member be placed in ‘bad standing’ with NYSWYSA for the purpose of recovering money owed.

Responsibility.

The NYSWYSA Second Vice President is responsible to the Board for oversight of the “Bad Standing” process within the organization. The responsibility for dealing with “Bad Standing” issues rests with the respective District Commissioners.

Categories.

Two categories of circumstances that would necessitate ‘Bad Standing’ action.

- NYSWYSA places a member in ‘bad standing’ for noncompliance with established Bylaws or policy. NYSWYSA may also act in situations where, after repeated efforts to collect, a member owes money to the association.
- NYSWYSA places a member in ‘bad standing’ when an affiliated club or league requests the action and the justification has been verified in accordance with policies/procedures established by NYSWYSA.
