

ADULT REFEREES - Background Checks - IMPORTANT - Please Read Carefully

To All Adult Referees:

Unless you are a NATIONAL Referee do NOT do the Background Check in the Learning Center. It will not count towards your NYSWYSA Background Requirement. It is an entirely different check that does NOT meet NYS background criteria. USSF will not refund any Background Check done in error.

You MUST do the Background Screening in GotSport to be eligible to do Youth games in the NYSWYSA region.
