

[RISK MANAGEMENT FAQs] - 2024 Risk Management Help Resources

To All Club Admins:

Its been some time since the last two GotSport Onboarding Sessions so as a refresher, you can find Help Resources for all things GotSport Registration Related [GotSport Onboarding Phase 1 & 2](#).

For Risk Management you can access generic instructions [GotSport Risk Management Help](#). Disregard the part on CDC Concussion Tests, we will be introducing the USSF Intro to Safety Course later in the season.

Once the Risk Management Go-Live stabilizes in the next few days, we will announce a Phase 3 Onboarding Zoom Session for Risk Management specific to NYSWYSA which will also have a video link you access afterwards like Phases 1 & 2.

Michael Kozak
