

[IMPORTANT REMINDER] - SafeSport for PLAYERS 17 Turning 18 & 18 YOA this Season

To ALL Club Administrators, Risk Management Coordinators & Coaches:

This Reminder is specifically for PLAYERS that are required to do SafeSport training for this current season (23/24). That includes ALL Players born in 2005 and ALL Players born in 2006 that will turn 18 years old BEFORE August 1st.

There is a specific process outlined on how Players can complete this training in previous Risk Management System Messages sent to Club Administrators on 1-24-24, 2-12-24 & 2-15-24. This process requires affected Players to have their own GotSport accounts.

For most Players, they already have existing GotSport records that MUST be properly converted by the CLUB. The aforementioned System Messages explain how to do this AND how the affected Players can then complete their training Requirement. Players, Parents & Clubs should NOT be making new accounts.

Anyone receiving this reminder can find the related System Messages at this link: <https://nyswysa.org/risk-management/2024-risk-management-correspondence>

They appear by corresponding date and are labeled specifically as Player SafeSport instructional references and also address how a Club can request assistance with Player records that cannot be changed as indicated.
