RULE NYSW 6106 -- PRECEDENCE OF GAMES

II. PART 2 -- ORGANIZATION OF THE COMPETITIONS

RULE NYSW 7201 -- LEVELS OF COMPETITIONS

In NYSW there shall be only 1 (one) level which shall be known as the **STATE LEVEL**. The first (1st) place team will have the right to advance to the **NATIONAL LEVEL**.

RULE NYSW 7202 -- NYSW FORMAT OF COMPETITION

New York West will conduct preliminary games to determine the final four teams which will compete in a tournament known as the State Cup. The tournament places the top four teams in each age group in competition for the state championship. The Final 4 weekend will be known as the US Youth Soccer NYSW National Championship series.

THE 2026 US YOUTH SOCCER NYSW Champion in each age group and in each gender shall represent New York State West at the National Competition. **NY West teams who qualify for the NCS National Championships through USYS league play must participate in the 2026 NYSW State Cup to attend. NYSWYSA will not grant waivers to compete without NYSW State Cup participation.**

Registered teams that participated in the 2025 State Cup Finals will be seeded in the order they finished, provided their current season State Cup roster total has at least a majority of the same players as the 2025 season (except 13U – which is 8 players from previous year 12U roster). The majority shall be defined by the table below. The

roster used to establish the seed will be the previous year's roster for the State Cup competition, not a roster that was modified later for Regional or National play with Club pass players.

Registered teams that are returning from the 2025 State Cup competition will need to submit their 2026 State Cup rosters in GotSport by 11 Dec 2025 for review to confirm roster continuity from the 2025 State Cup roster. This is not the roster freeze, additional players can be added to the roster prior to the final roster freeze date. Once returning players are approved for continuity, they will not be able to be removed from the roster to drop below the roster continuity requirements. ***It is the team's responsibility to review the roster continuity report for seeding purposes prior to the blind draw. Any seeding errors determined after the blind draw will not be corrected.***

If a team from the previous year switches clubs and or team names, the team is responsible for informing the Cup Committee of the name change. The roster of the newly named team will be compared against the roster of the previous club/team name for continuity of players. It is the continuity of the players that determines the seed, not the name of the club/team on the roster.

New entries in other age groups will be seeded according to a random selection during the blind draw. Once the seeding and blind draw has placed the teams in the play down brackets, they will play a **group play format** for the play down rounds to advance to the Final 4 weekend. The Final 4 weekend in all age groups will be conducted in a **single elimination format (Semi-Finals/ Finals)** with four (4) teams' maximum.

If a team advances to Regional's as a wild card and then becomes the Regional Champion or National Cup Champion, and maintains roster continuity, the following season the #1 seed position will be given to that team and the State Cup Champion (provided they maintain roster continuity) will be given the #2 seed

position. Otherwise, the seed positions will be determined by the order of finish from the previous year Final Four, provided all roster requirements are met.

The number of playdown games required in any particular age group is determined by the number of entrants in that competition. Specifics on play down brackets can be found in Appendix A of this document.
