Candidate Bio – Brian Lowe

Treasurer, NYSWYSA

I am seeking re-election as Treasurer of the New York State West Youth Soccer Association, where I have had the privilege of serving on the Board in this role for the past term. As a CFO, I bring professional experience in financial management, budgeting, reporting, and responsible stewardship of organizational resources to my service with NYSWYSA.

During my term, I have focused on maintaining strong financial oversight while improving financial reporting and budgeting to help support informed decision-making and the long-term health of the organization. I believe that sound financial management is about ensuring that resources are used responsibly to support our members, clubs, volunteers, and the young athletes who make youth soccer so meaningful.

I would welcome the opportunity to continue serving NYSWYSA, building on the progress made during my first term and working collaboratively with the Board to maintain financial accountability, transparency, and a strong foundation for the future of youth soccer across Western New York and the communities we serve.
