2026 ELECTION OF OFFICERS

PETER LAUTENSACK

Candidate Bio · 1st Vice President · New York State West Youth Soccer Association

I am seeking re-election for an additional term as the 1st Vice President for New York State West Youth Soccer Association. My involvement within the New York State West landscape has evolved over many years. Working with various clubs in the role of coach, Director of Coaching, Treasurer and co-owner of Syracuse FC, LLP has provided me with experiences that I brought to the table for New York State West. Serving as the District Commissioner for the Syracuse area enabled me to advocate for the families and players of NYSW. In addition, my involvement as a NYSW ODP coach and coaching instructor led to my current position as 1st Vice President.

Currently as the 1st Vice President, I chair the NYSW State Cup and President's Cup Committee as well as being a member of the NYSW Executive Committee.

I would welcome the opportunity to continue to serve as the 1st Vice President for NYSW and would appreciate your support. My goal is to continue to expand the opportunities and value that we together can bring to our membership to grow the beautiful game here in Western New York.

Peter Lautensack
1st Vice President
